

Zionist Conferences and Summary of the Elders of Zion

Jewish leaders held twenty-three conferences from 1897 to 1951, the last of which was the conference that was held in Jerusalem for the first time on August 14 of that year, ostensibly to discuss the issue of immigration to Israel and its borders, as Al-Zaman newspaper reported (7/28/1951).

The purpose of all these conferences was to study the plans that would lead to the establishment of the global Kingdom of Zion.

Their first conference was in the city of Basel, Switzerland, in the year 1897, under the leadership of their leader, Herzl. About 300 of the most powerful elders of Zion, representing fifty Jewish associations, gathered in it. They decided at the conference their secret plan to enslave the entire world under the crown of a king descended from David, and their decisions in it were secret. It is surrounded by the strictest types of secrecy and reservation, except from its owners among the people.

During her meeting with one of the most senior leaders in one of their secret Masonic dens in France, a French woman was able to embezzle some of these documents and then publish them.

Their motto: "All means of violence and deception are available. The end justifies the means."

Among their most prominent plans:

- Destroying tsarism in Russia, spreading communism in it, ruling it with brutal tyranny, and making it a center for spreading conspiracies and unrest in the world.
- Working to overthrow the Ottoman Islamic Caliphate at the hands of the Jews before establishing their state of Israel.
- Working for the return of the Jews to Palestine and the establishment of the State of Israel there.
- Working on the fall of monarchies in Europe, such as Germany, Austria, Romania, Spain, and Italy.
- Provoking world wars for the first time in history, in which both the victor and the vanquished lose, and only the Jews win the spoils. Two wars broke out, and the Jews are now preparing the conditions for a third war to break out.
- Working to spread strife, unrest, and economic crises internationally, and build the economy on the basis of gold, which is monopolized by the Jews.
- Working to control governance, education, the press and the media.

- 
- Destroy religion and control trade.
 - Working to spread bribery and corruption throughout societies, spreading religious, tribal, and sectarian fanaticism.
 - Sowing hostilities between countries and their neighbors so that their ranks are not united..
 - Stripping people of weapons to extinguish the courage and chivalry in their hearts.
 - Working to absorb the natural wealth of countries and impose control over industry and trade.
 - Working to destroy morals, spread agents, and gradually change the morals of nations.
 - Paraphrasing the Masonic motto (Liberty, Equality, and Fraternity).
 - Showing the Jews in the world as persecuted.
 - Harnessing all non-Jewish soldiers of Freemasonry to serve them in destroying ideal ideas.
 - Reject peace with any country that does not recognize their supreme government.

- Working to destroy the dignity of the clergy in the eyes of the people.
- Destroying all values and morals in societies and spreading prostitution, deviance and nudity.

Allah said: (The Jews said, “Allah’s hand is fettered.” Fettered are their own hands, and cursed are they for what they said. In fact, His hands are outspread. He spends as He wills. What has been sent down to you from your Lord shall certainly increase many of them in rebellion and disbelief. We have put enmity and hatred amongst them lasting to the Day of Doom. Whenever they lit the flame of war, Allah puts it out. They run about on the earth spreading mischief, and Allah does not like the mischief-makers.) [Surah Al-Mâ'idah: 64]
